# O. W. Johnston's Great Home Furnishing Store Has Amply, Wonderfully, Discriminatingly Provided for Your Every Cold Weather Requirement.

## Heating Stoves may be one of them

They should be bought with great care—we offer you the Celebrated "ROUND OAK", matchless in the three very needful things in a heating stove—a FIRE-KEEPER, will hold fire for 24 hours, no more "making fires" in the morning, only shovel in more fuel, shake the grate, open the draft, your fire is made—no cold chilly rooms to dress in. Holding fire all night has prevented the room from getting cold. Second, will LAST LONGER. This is apparent when you notice the EXTRA quality of material out of which it is made, with the skilled workmanship used in building this wonderful heater. Third, MOST ECONOMICAL fuel-saver because of the perfect control of the fire, a remarkable radiating surface and gas burning ring. The "Round Oak Heaters and Furnaces" has a proud history of 45 years—sold 25 years in Marshall. Thousands in use in Saline County. ASK THOSE WHO HAVE USED A "ROUND OAK" HEATER OR FURNACE.

The "King Bee" has its favorites, a top feed, Great COKE STOVE, holds fire and a room-warmer.
